RE: New company name

Dear Valued Customers, Suppliers, and Business Partners;

Effective immediately, we are excited to announce that we have changed our company name from **Prime Turbines GmbH** to **VSE Aviation GmbH**.

Our new name reflects our global presence as a wholly-owned subsidiary of VSE Aviation, Inc. (VAI Group). Our operations today have become more global in nature and include product lines beyond our initial offerings under Prime Turbines GmbH in 2011. This name change allows us to incorporate VAI's corporate name recognition into our business activities and align our four brands in the region under one umbrella, **Air Parts and Supply Company (APSCO), CT Aerospace, Kansas Aviation, and Prime Turbines**.

New internet address will be **www.vseaviationgmbh.com**  
Email addresses will change to the domain **@vseaviation.de**

The company will continue to operate in its current structure, and your contacts will remain unchanged. Other than these visible changes, there is no change in ownership and no change in staff. Our office location, phone, and fax numbers will remain the same as below (mailing, billing, and shipping address) :

Address: Hechtenkaute 16, 55257 Budenheim, Germany  
Phone: +49 6139 293 7896

VAI Group has multiple locations worldwide, to include distribution facilities, aftermarket sales facilities, MRO engine and engine accessory facilities, and sales offices.

With 58 years of business presence in the industry, we look forward to continuing to grow and serve you in the global market under our new name.

Should you have any questions regarding this name change, please feel free to contact us via email at [weggert@vseaviation.de](mailto:weggert@vseaviation.de).

Sincerely,

Walter Eggers  
General Manager  
Prime Turbines GmbH / VSE Aviation GmbH
