

PRIME TURBINES, LLC.
FAA CRS Number: 5TPR585C
CAPABILITIES LIST

Introduction

The Prime Turbines Phoenix, capabilities list includes those engines, assemblies, components or individual parts on which PTPHX may perform maintenance, preventive maintenance or alteration.

This list was compiled in accordance with FAA FAR Part 145, §145.215. A description of the processes for establishing, revising and distributing the PTPHX capabilities list is included in Section 10 of the RSM / QCM. Changes to the list will be denoted by highlighted text.
