	PT6T-3D/3DE/3DF	FN1500T
	PT6B-37A	FNB37
	PT6E-67XP	FNE67

NOTE 1: When placing an order for exchange, be sure to include exact engine model and applicable S/B status.

NOTE 2: Exchange Kits for all nozzles and bleed valves are kept in stock, however, during high volume periods it is common to have a short wait for the next exchange unit.

NOTE 3: Sheaths are not included in the FN Kit.
